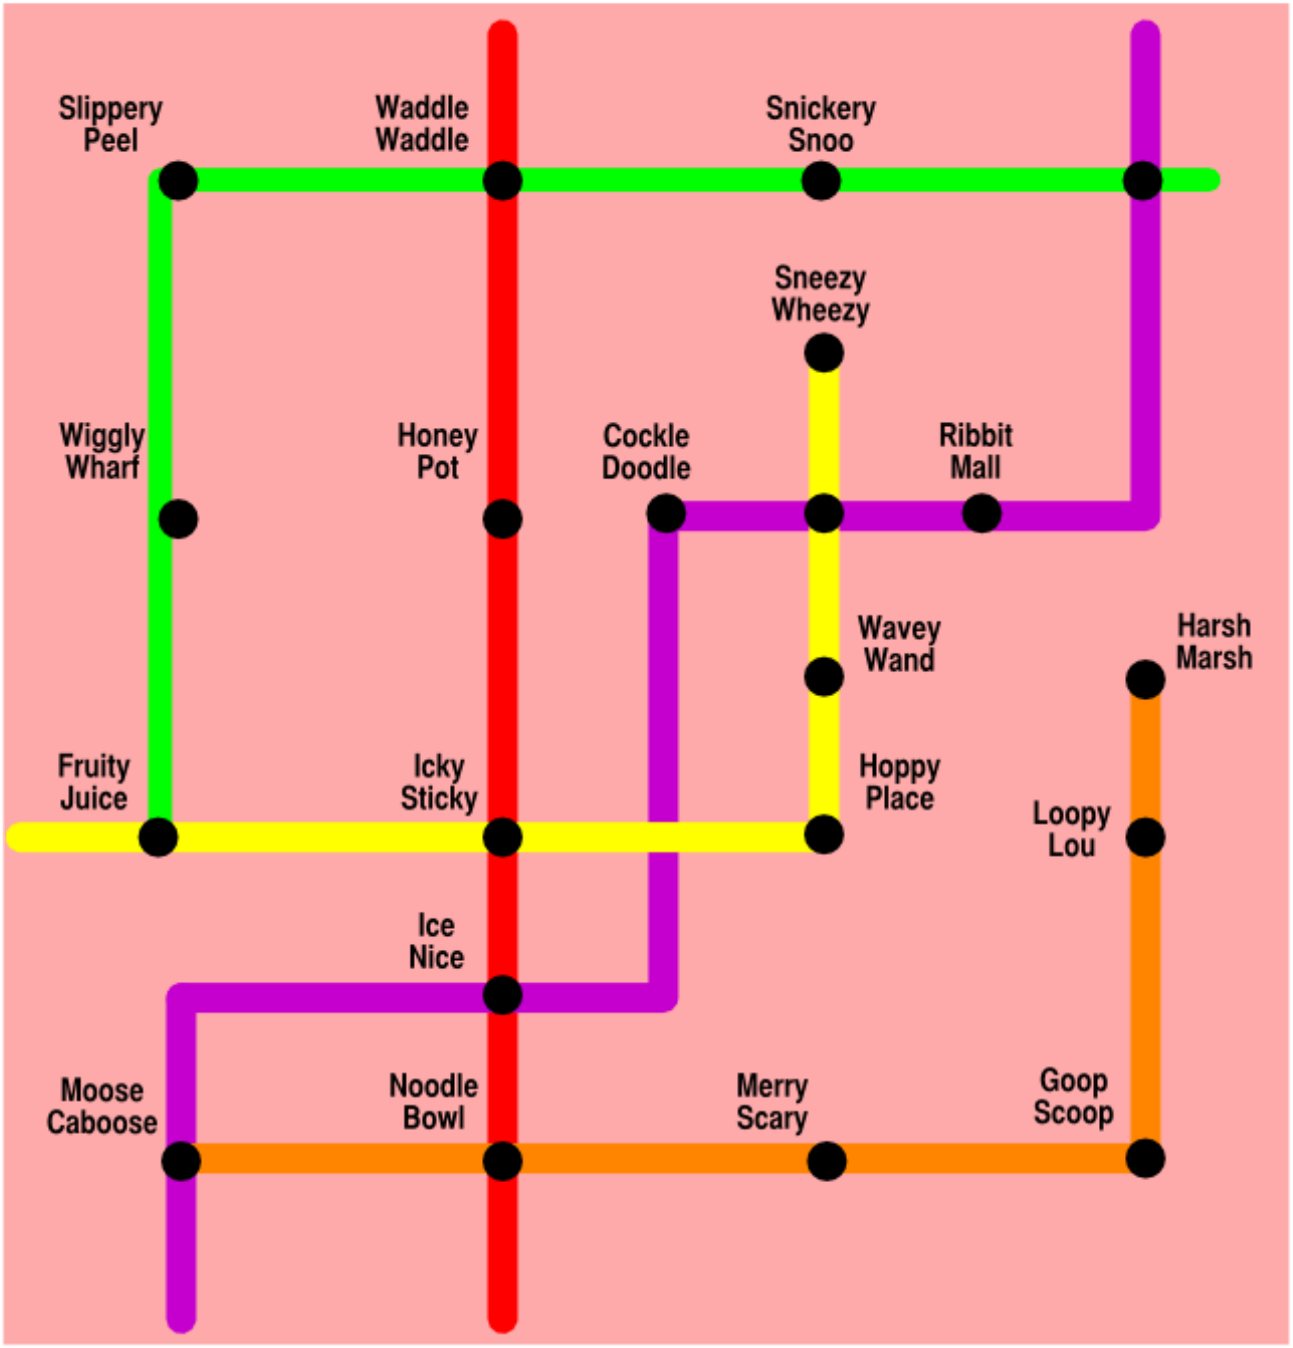
We've lost a few important letters while riding the subway...can you help us find them by first answering the questions below and then connecting the stops (dots) according to the order in which they appeared in the questions? Thanks and good luck!



Which stops are the answers to these questions?

1. A favourite worm stop!
2. You'll see a lot of bananas here
3. Bears come lookin' for snacks at this favourite hive!
4. Penguins come here to catch the action

5. Roosters come here for some rest and relaxation
6. Magicians show off their wares here!
7. Frogs come here to do their shopping
8. Many, many rabbits

9. A place where you're sure to need a bath after visiting!
10. Thirsty people come here often
11. Choo choo choo!
12. Great place for a nice lunch!

Hint: There are 3 letters! Each letter's dots or "stops" have been grouped as shown on the left. When you've found all 12 stops, connect the dots in the order they appear in the group to uncover the missing letter! The 3 letters together represent something very special to us!

Answer: The missing letters are N-Y-C!!! New York City!
